

CARDIAC, THORACIC AND VASCULAR ANAESTHESIOLOGY

Learning Track 7

P

Panel Discussion

07PA

New paradigms of organ damage and repair: does anaesthesia influence transplant outcomes?

03 June 2023
14:45 – 15:45

Alsh

Chair: Bernard Cholley (Paris, France)

Anaesthetic-induced organ protection in renal transplantation

Speaker: Gertrude Nieuwenhuijs-Moeke (Groningen, Netherlands)

Lessons from ex-vivo heart and lung perfusion: clinical and molecular assessment and reconditioning

Speaker: Nandor Marczin (Harefield, United Kingdom)

New intensive care paradigms of Primary Graft Dysfunction

Speaker: Bernard Cholley (Paris, France)

Panel discussion

ME

Meet-the-Expert

07MEA

Evolution of anaesthesia for transcatheter valve surgery

03 June 2023
16:30 – 17:15

Hall 2

Chair: Zeliha Asli Demir (Ankara, Turkey)

Evolution of anaesthesia for transcatheter valve surgery

Speaker: Steffen Rex (Leuven, Belgium)

ME

Meet-the-Expert

07MEB

Fundamentals of thoracic anaesthesia: state of the art

04 June 2023
08:15 – 09:00

Lomond Auditorium

Chair: Nandor Marczin (Harefield, United Kingdom)

Bronchial blockers as true alternatives to double lumen tubes?

Speaker: Edmond Cohen (New York, United States)

Imaging and bronchoscopy for thoracic anaesthesia

Speaker: Peter Slinger (Toronto, Canada)

Revolution in pain management for thoracic anaesthesia

Speaker: Maria José Jimenez Andujar (Barcelona, Spain)

LT

Lightning Talks

07LTA

My adult patient with congenital heart disease requires urgent non-cardiac surgery: what should I do?

04 June 2023
09:15 – 10:15

Hall 1

Chair: Mona Momeni (Brussels, Belgium)

Patients with an atrial septal defect

Speaker: Steffen Rex (Leuven, Belgium)

Patients with ventricular septal defect

Speaker: Jean-Luc Fellahi (Lyon, France)

Patients with single ventricle and cavo-pulmonary derivation (Fontan procedure)

Speaker: Mona Momeni (Brussels, Belgium)

Patients with Eisenmenger syndrome

Speaker: Andrea Székely (Budapest, Hungary)

Patients with Ebstein anomaly

Speaker: Zeliha Asli Demir (Ankara, Turkey)

Discussion

S

Symposium

07SA

Severe vasoplegia following cardiac surgery

04 June 2023
10:45 – 11:45

Forth

Chair: Andrea Székely (Budapest, Hungary)

Epidemiology of severe vasoplegia following cardiac surgery

Speaker: Eric De Waal (Utrecht, Netherlands)

Clinical and bioprediction of postoperative vasoplegia

Speaker: Nandor Marczin (Harefield, United Kingdom)

Evidence-based therapy of vasoplegia

Speaker: Vera von Dossow (Bad Oeynhausen, Germany)

S

Symposium

07SB

Current dilemmas in vascular anaesthesia

04 June 2023
13:15 – 14:15

Lomond Auditorium

Chair: Mona Momeni (Brussels, Belgium)

General vs local anaesthesia for endovascular aortic surgery

Speaker: Caroline Vanpeteghem (Ghent, Belgium)

What is new regarding Acute Kidney Injury (AKI) after vascular surgery

Speaker: Marc Vives (Pamplona, Spain)

Spinal cord protection during Thoracic Endovascular Aortic Repair (TEVAR) procedures

Speaker: Jan-Uwe Schreiber (Maastricht, Netherlands)

S

Symposium

07SC

Thoracic anaesthesia benchmarking based on high volume experience

05 June 2023
08:30 – 09:30

Hall 1

Chair: Nandor Marczin (Harefield, United Kingdom)

Anaesthetist, surgeon and patient satisfaction using double lumen tubes with embedded camera

Speaker: Jingxiang We (Shanghai, China)

Setting standards for the use of bronchial blockers

Speaker: Johan Mourisse (Nijmegen, Netherlands)

Lung transplant anaesthesia in a high-volume lung transplant center

Speaker: Edda Tschernko (Wien, Austria)

CB

Case-Based
Discussion

07CBA

A truly difficult airway for thoracic anaesthesia

05 June 2023
15:15 – 16:15

Hall 2

Chair: Caroline Vanpeteghem (Ghent, Belgium)

Thoracic patient presentation

Speaker: Ross Hofmeyr (Cape Town, South Africa)

Commentary 1: Options for laryngoscopy and tube placement

Speaker: Caroline Vanpeteghem (Ghent, Belgium)

Commentary 2: Options for lung isolation and separation

Speaker: Nuzhet Mert Senturk (Istanbul, Turkey)

Commentary 3: Option for preoperative pre-planned solution

Speaker: Ruth Shaylor (Tel Aviv, Israel)
