

TRANSFUSION, HAEMOSTASIS AND THROMBOSIS

Learning Track 12

LT

Lightning Talks

12LT1

Should we apply autotransfusion techniques in...

03 June 2023
10:45 – 11:45

Hall 1

Chair: Daniel Bolliger (Basel, Switzerland)

... trauma patients?

Speaker: Jonathan H. Waters (Pittsburgh, United States)

... obstetric haemorrhage?

Speaker: Helen McNamara (Liverpool, United Kingdom)

... patients scheduled for cancer surgery?

Speaker: Andrea Steinbicker (Frankfurt, Germany)

... cardiac surgery?

Speaker: Dania Fischer (Heidelberg, Germany)

Discussion

D

Pro-Con Debate

12D1

Point-of-Care (POC) coagulation monitoring affects patients' outcome. Pro-con

03 June 2023
13:30 – 14:30

Clyde Auditorium

Chair: Christian von Heymann (Berlin, Germany)

Pro: POC coagulation monitoring affects patients' outcome

Speaker: Daniel Bolliger (Basel, Switzerland)

Con: POC coagulation monitoring does not affect patients' outcome

Speaker: Christian Fenger-Eriksen (Aarhus, Denmark)

Discussion and voting

L

Lecture

12L1

Can we really improve patient outcome with preoperative haemoglobin optimisation?

04 June 2023
08:15 – 09:00

Alsh

Chair: Charles Marc Samama (Paris, France)

Can we really improve patient outcome with preoperative haemoglobin optimisation?

Speaker: Daniel Bolliger (Basel, Switzerland)

LT

Lightning Talks

12LT2

Patient Blood Management (PBM) in patients with liver disease

05 June 2023
08:30 – 09:30

Alsh

Chair: Eleni Arnaoutoglou (Larissa, Greece)

Perioperative PBM strategies in patients with liver cirrhosis

Speaker: Mihai Popescu (Bucharest, Romania)

PBM strategies in patients with acute liver failure

Speaker: Dana Rodica Tomescu (Bucharest, Romania)

PBM strategies in critically ill cirrhotic patients

Speaker: Annabel Blasi (Barcelona, Spain)

PBM strategies in patients undergoing liver transplant

Speaker: Fuat Hakan Saner (Essen, Germany)

Discussion

S

Symposium

12S1

Coagulation issues in the Intensive Care Unit (ICU)

05 June 2023
09:45 – 10:45

Forth

Chair: Dana Rodica Tomescu (Bucharest, Romania)

Management of the patient with septic Disseminated Intravascular Coagulation (DIC)

Speaker: Eleni Arnaoutoglou (Larissa, Greece)

Management of patients with thrombotic microangiopathies in the ICU

Speaker: Paul Knoebl (Vienna, Austria)

Coagulopathy in liver failure - All about bleeding?

Speaker: Christian von Heymann (Berlin, Germany)

S

Symposium

12S2

How to prevent or manage Direct Oral Anticoagulant (DOAC)-induced bleeding complications? Guideline recommendations

05 June 2023
15:15 – 16:15

Hall 1

Chair: Isabell Pekrul (Munich, Germany)

How to minimise bleeding complications after regional anaesthesia

Speaker: Sibylle Kietaibl (Vienna, Austria)

How to support haemostasis in acutely haemorrhaging patients

Speaker: Oliver Grottke (Aachen, Germany)
