

# PERIOPERATIVE MEDICINE

## Learning Track 13

**S**

Symposium

### 13S1

#### Innovative research approaches that will transform clinical practice

Session organised by the British Journal of Anaesthesia (BJA)

03 June 2023  
17:30 – 18:30

Alsh

Chair: Rupert Pearse (London, United Kingdom)  
Chair: Lisbeth Evered (New York, United States)

#### Epidemiology and perioperative allergy

Speaker: Louise Savic (Leeds, United Kingdom)

#### Mixed methods research and shared decision making

Speaker: Rupert Pearse (London, United Kingdom)

#### Platform trials and anaesthetic technique

Speaker: Joyce Yeung (Birmingham, United Kingdom)

**S**

Symposium

### 13S2

#### Goal-Directed Therapy (GDT) in non-cardiac surgery

04 June 2023  
10:45 – 11:45

Clyde Auditorium

Chair: Alexandre Joosten (Villejuif, France)

#### What are the evidence in 2023?

Speaker: Rupert Pearse (London, United Kingdom)

#### GDT in emergency abdominal surgery

Speaker: Brigitte Brandstrup (Copenhagen, Denmark)

#### Protocolised or individualised haemodynamic approach?

Speaker: Bernd Saugel (Hamburg, Germany)

**ME**

Meet-the-Expert

### 13ME1

#### How to deal with the obese patient in the OR?

04 June 2023  
14:45 – 15:30

Hall 1

Chair: Daniela Godoroja (Bucharest, Romania)

#### How to deal with the obese patient in the OR?

Speaker: Luc De Baerdemaeker (Ghent, Belgium)

**S**

Symposium

**13S3**

**Perioperative pain management in vulnerable populations**

Session organised by the American Society of Anesthesiologists (ASA)

04 June 2023  
16:00 – 17:00

Hall 1

Chair: Santhanam Suresh (Chicago, IL, United States)

**Managing delirium and pain in the Intensive Care Units - An evidenced-based approach**

Speaker: Sheela Pai Cole (Stanford, CA, United States)

**Pain management in adults: no patients left behind**

Speaker: Eugene Viscusi (Philadelphia, PA, United States)

**Managing paediatric pain: big problems in small people**

Speaker: Santhanam Suresh (Chicago, IL, United States)

**P**

Panel Discussion

**13P1**

**The EBA controversy sessions: «The future of anaesthesiology - Nurses, robots or anaesthesiologists»**

Session organised by the European Board of Anaesthesiology (EBA)

04 June 2023  
17:15 – 18:00

Alsh

Chair: Olegs Sabelnikovs (Riga, Latvia)

**The Future of Anaesthesiology - Nurses, robots, or anaesthesiologists**

Speaker: Olegs Sabelnikovs (Riga, Latvia)

**Panel discussion**
