

Dear Green Place Programme

Saturday 3 June

ISLAND 1

Building Networks and Changing Practice

- 10:25 – 10:45 Opening & signing of the Glasgow Declaration
- 11:00 – 12:00 Meet the expert: Kenneth Barker – Networks
- 13:15 – 14:15 ESAIC Poster session
- 14:30 – 15:30 Meet the expert: Lucia Misquita – Measuring Carbon Footprints

ISLAND 3

Waste and Scavenging

- 10:15 – 10:45 Masimo
- 15:45 – 16:15 Masimo
- 15:45 – 16:15 GE Healthcare

ISLAND 5

Beyond anaesthesia

- 10:00 – 18:00 ESAIC

ISLAND 2

Anaesthetic gases and drugs

- 10:15 – 10:45 Dräger, Tools to reduce the usage of gas and agents in anaesthesia
- 10:15 – 10:45 Baxter, "Waste not, want not. What could happen to inhalation anaesthesia?", Douglas Duncan
- 12:45 – 13:15 Dräger, Tools to reduce the usage of gas and agents in anaesthesia
- 15:45 – 16:15 Dräger, Tools to reduce the usage of gas and agents in anaesthesia
- 16:30 – 17:30 Meet the expert: Alifia Chakera – The Nitrous Project

ISLAND 4

Energy Efficiency, Renewable energies, and Circular economies

- 10:15 – 10:45 Philips, Circular Economy and Ecodesign
- 10:30 – 11:00 3M, Sustainable warming with 3M Bair Hugger: Care for your patient, Care for your environment
- 14:00 – 14:30 3M, Sustainable warming with 3M Bair Hugger: Care for your patient, Care for your environment

Sunday 4 June

ISLAND 1

Building Networks and Changing Practice

- 12:15 – 13:15 ESAIC Poster session
- 14:30 – 15:30 Scott Brady, Delivering Sustainability in practice: Forging links, involving others and working in lower income areas

ISLAND 3

Waste and Scavenging

- 10:15 – 10:45 Aguetant – Pre-filled syringes: for more safety and less waste
- 13:00 – 14:30 Meet the Expert: Ewan Jack – Desflurane and changing practice.
- 14:30 – 15:00 Aguetant – Pre-filled syringes: for more safety and less waste
- 16:00 – 17:00 Meet the Expert: Nicolas Weiland – Energy Efficiency

ISLAND 5

Beyond anaesthesia

- 09:00 – 18:00 ESAIC

ISLAND 2

Anaesthetic gases and drugs

- 10:15 – 10:45 Dräger, Tools to reduce the usage of gas and agents in anaesthesia
- 10:15 – 10:45 Masimo
- 10:45 – 11:45 Meet the Expert: Carmen Oliveria – Activated Charcoal devices
- 15:30 – 16:00 Dräger, Tools to reduce the usage of gas and agents in anaesthesia
- 15:30 – 16:00 Masimo

ISLAND 4

Energy Efficiency, Renewable energies, and Circular economies

- 10:30 – 11:00 3M, Sustainable warming with 3M Bair Hugger: Care for your patient, Care for your environment
- 13:00 – 13:30 3M, Sustainable warming with 3M Bair Hugger: Care for your patient, Care for your environment
- 10:15 – 10:45 Baxter, Efficiency of the CONTRAfluran Gas Capture Technology, Peter Kienbaum
- 10:45 – 11:45 Meet the Expert: Carmen Oliveria – Activated Charcoal devices
- 15:30 – 16:00 Philips, Circular Economy and Ecodesign
- 17:00 – 18:00 Meet the Expert: Laure Bonnet – Eco design in healthcare.

Dear Green Place Programme

Monday 5 June

ISLAND 1

Building Networks and Changing Practice

11:30 - 12:30 ESAIC Poster session

14:45 - 15:15 Meet the experts: GAS Group

ISLAND 3

Waste and Scavenging

09:00 - 16:00 ESAIC

ISLAND 5

Beyond anaesthesia

09:45 - 10:45 Meet the Expert:
Pavan Bangalore- Sustainability beyond theatres.
Masimo

ISLAND 2

Anaesthetic gases and drugs

10:45 - 11:15 Dräger, Tools to reduce the usage of gas and agents in anaesthesia

ISLAND 4

Energy Efficiency, Renewable energies, and Circular economies

10:45 - 11:00 Philips, Circular Economy and Ecodesign

THANK YOU TO OUR INDUSTRY PARTNERS
FOR THEIR CONTRIBUTION TO
THE DEAR GREEN PLACE.
