AGILUS[®]

New Treatment for Malignant Hyperthermia

**Dr Oscar
Diaz-Cambronero**

Lisbon, Portugal

26 May 2025, 12.00-12.30

Please join **Dr Oscar Diaz-Cambronero** for a simulation of a malignant hyperthermia (MH) crisis, including:

- How to recognise signs and symptoms of MH (with Laerdal dummy)
- Real-life reconstitution and administration of AGILUS[®] (dantrolene sodium hemiheptahydrate)

AGILUS[™]
DANTROLENE SODIUM
HEMIHEPTAHYDRATE
